

Code of Conduct for Prarambh 2021

Welcome to Prarambh 2021!

We are looking forward to your participation and request you to adhere to the code of conduct as mentioned below, for a seamless and successful program hosting:

1. We will send out important information and regular updates through e-mails (Krea university mail ids only) and WhatsApp messages. Please check them on a regular basis to ensure that you do not miss any important information.
2. For the virtual engagement, keep your phone/laptop fully charged at all times. Similarly, for the internet connection, keep a standby connection using mobile hotspot or similar support and try to be connected seamlessly, as you'll be required to keep your video on during the session.
3. Please dress appropriately as you would in an in-person orientation programme. Choose to wear semi formals/smart casuals for all the sessions.
4. Attend the session, seated in a place with no or minimal background disturbances and noise.
5. Join the meeting link at least ten minutes prior to each scheduled session.
6. Use your respective **Krea University login credentials only while logging into zoom meeting room.** Do not use any other login credentials.
7. This orientation session is exclusively for 'you' and hence, makes best use of this event. Please interact, respond and engage throughout the session. For any questions, either drop them in the chat box or use the option of 'Raise Hand' and wait for your turn until the host unmutes you and allows you to ask your question.
8. We need your complete support in keeping the online orientation session positive and helpful throughout.
9. If you face any issues, please contact any member of the Prarambh Team. They would always try to help you to the extent they can.
10. In case of a technical glitch, please be patient as we fix it for you. We will ensure to get back to you at the earliest with a swift solution.
