

Enabling Impactful Leaders for the 21st Century

Empowered by Interwoven Learning

Krea's unique Interwoven Learning goes beyond interdisciplinary. A rigorous process which weaves together academics with experiential learning and creates well-rounded minds, adept at problem solving in a change-driven future.

Guiding principles of the curriculum

School of Interwoven Arts & Sciences (SIAS)

The learning experience at SIAS is designed to allow the students to build their choices through a strong foundation year followed by deep diving into subjects through Majors and Minors. Students are guided by faculty members who come with a rare hybrid of cross-disciplinary education from reputed universities across the world, like Oxford, Cambridge, UC Berkeley, Imperial College, Columbia, NUS and similar.

“The teaching style here made me stretch beyond my usual capacity. I explored many disciplines that I had only heard of in my life.”

Sai Balaji Suresh

Undergraduate Programmes

The **3-year BA (Honours) & BSc (Honours)** residential programme comes with an option to pursue an additional fourth year of advanced studies. All majors and minors are housed in the Division of Humanities and Social Sciences, Division of Literature and Arts, and Division of Sciences.

A Transformational Learning Journey

Krea is re-imagining education through its distinguishing pedagogy led by Interwoven Learning, a method that focuses on creating a new generation of adaptable, resilient and empathetic leaders, giving them critical thinking skills and the ethical grounding needed to forge ahead in this fast changing world and evolving industry.

The vision of Krea is led by globally renowned academicians, business leaders and institution builders.

“Create a new generation of thinking Indians who will contribute to the development of the globe”

– Dr Raghuram Rajan

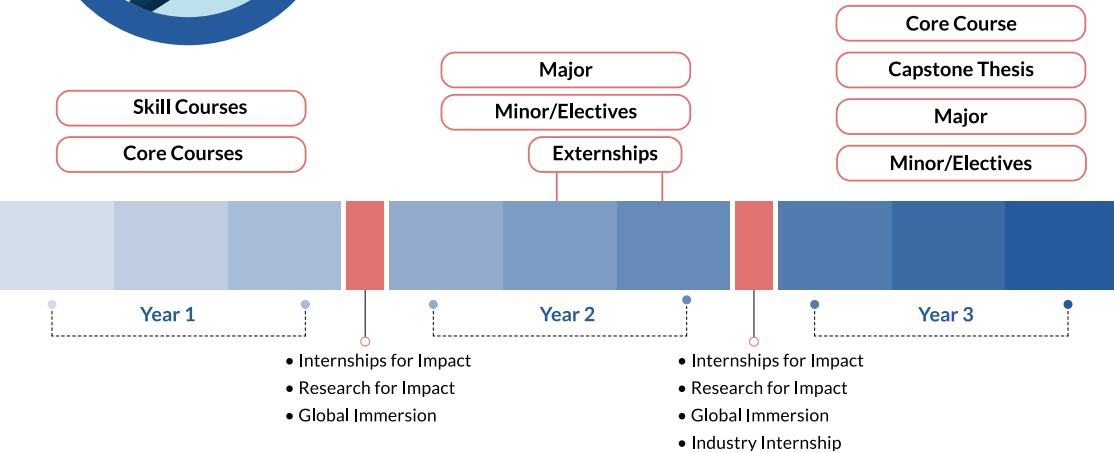

“Krea’s graduates will undoubtedly be the most sought after candidates for jobs, both in the corporate world and in other chosen vocation”

– Anand Mahindra

COURSE STRUCTURE

Admission Process

In line with our mission rooted in diversity and inclusivity, we are resolute to provide aspirants opportunities to be assessed by varied techniques and not just a singular one. This helps candidates be their true selves and helps us understand if Krea is the right fit for them.

Stage 1

Step 1 ONLINE APPLICATION

The online application form consists of sections on personal story, personal information, academics, co-curricular, extra curricular activities and relevant score cards which need to be duly filled and submitted.

Step 2 ONLINE ASSESSMENT

Krea Aptitude Test - 75 mins

This comprises of four sections:

- Logical Reasoning
- Numerical Reasoning
- Verbal Ability and Critical Analysis
- Essay Writing

Stage 2

Based on the application review and student performance in the aptitude test, candidates will move into the next stage of the admission process, which would comprise the Krea Immersive Case analysis **and/or** personal interview.

PERSONAL INTERVIEW

Interviews will be held individually and will comprise a panel of faculty members.

KREA IMMERSIVE CASE ANALYSIS + PERSONAL INTERVIEW

The case discussions will comprise a group of fellow candidates and panelists. The Krea Immersive Case analysis is a mere tool to enable candidates to be able to articulate their thoughts with more liberty and clarity.

“One of the main reasons I joined Krea was because of the personal attention given to each and every student, from its unique application process to a personalised letter when you get in, and even the student to faculty ratio.”

Priyanka Shah
